

The NEW Aveeno Calm + Restore™ collection with **nourishing oat** instantly soothes and strengthens the skin moisture barrier.

This therapeutic line is designed for sensitive skin.

Therapeutic Ingredients

Prebiotic Oat is a powerful antioxidant known to moisturize and soothe dry skin.

Feverfew is a naturally-derived ingredient proven to help reduce the appearance of redness and calm irritated, dry skin.

Aveeno Calm + Restore™ Nourishing Oat Cleanser

Formulated with nourishing oat and calming feverfew, this product gently cleanses and hydrates to preserve the moisture barrier while nourishing and soothing skin.

Aveeno Calm + Restore™ Oat Gel Moisturizer

Formulated with prebiotic oat and feverfew, this moisturizer instantly soothes and replenishes the moisture barrier. 97% noted skin feels less irritated, more tolerant and comfortable all day.

Aveeno Calm + Restore™ Triple Oat Serum

Formulated with feverfew and triple the power of oat, this serum fortifies skin's moisture barrier to improve skin's resilience.
